10th INTERNATIONAL SYMPOSIUM GLAUCOMA CODES

IN COLLABORATION WITH

EUROPEAN GLAUCOMA SOCIETY - EGS

March 7 - 8, 2025

Poštovane kolegice i kolege,

pozivamo vas na jubilarni 10. međunarodni simpozij Glaucoma Codes, koji će se održati 7. i 8. ožujka 2025. u hotelu Hilton Garden Inn Zagreb, a koji organiziramo u suradnji s Europskim glaukopskim društvom (EGS). Tema ovogodišnjeg simpozija – dijagnostika glaukoma – obrađuje ključne dijagnostičke postupke važne za svakodnevnu kliničku praksu, kroz dinamičan dvodnevni program koji uključuje:

- stručna predavanja i diskusije s vodećim domaćim i međunarodnim stručnjacima,
- interaktivne radionice u malim grupama za stjecanje dijagnostičkih vještina,
- interaktivnu sesiju “pitajte stručnjake” - priliku da izrazite svoje mišljenje glasovanjem, sudjelujete u rješavanju kliničkih slučajeva i postavljate pitanja.

Prvog dana simpozija, u petak, 7. ožujka, okupit ćemo se za zajedničku fotografiju kojom ćemo obilježiti 10 godina uspješne suradnje, uz sudjelovanje u nagradnoj igri. Uz dodjelu nagrada, pripremili smo i priznanja za dugogodišnji doprinos promicanju svijesti o glaukoma.

Dear colleagues,

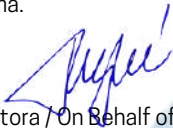

We invite you to the 10th anniversary international symposium Glaucoma Codes, which will take place on March 7-8, 2025, at the Hilton Garden Inn Zagreb. The symposium is organized in collaboration with the European Glaucoma Society (EGS).

This year's topic – **glaucoma diagnostics** – will cover key diagnostic procedures essential for daily clinical practice through a dynamic two-day program, including:

- expert lectures and discussions with leading national and international experts,
- interactive small-group workshops to expand diagnostic expertise,
- an interactive “Ask the Experts” session – an opportunity to express your opinion through voting, participate in analyzing clinical cases, and ask questions.

On the first day of the symposium, Friday, March 7, we will come together for a group photo to mark 10 years of successful collaboration and participate in a special prize activity.

In addition to awards, we have also prepared honors for long-term contributions to raising awareness about glaucoma.

U ime organizatora / On Behalf of the Organizers
Mia Zorić Geber
